

Refund Policy

- A \$200 non-refundable deposit is required to reserve a camp spot. The balance is due 45 days prior to the start of camp.
- If cancellation is more than 45 days before the start of camp:
 - Entire amount can be applied to a future camp with no penalty
- If cancellation is more than 15 days, but less than 45 days before the start of camp:
 - No monies paid are refundable, and the \$200 deposit is forfeited.
 - Remaining balance may be applied to a future camp.
- If cancellation is 15 days or less before the start of camp, the entire camp fee is forfeited, with the following exceptions:
 - If cancellation is due to injury, 50% of camp fee will be given as credit toward a future camp. A doctor's note is required.
 - A player has the option of sending a replacement player in his or her place. It is the responsibility of the canceling player to find such a substitute.

Note : We ask for full payment of all fees 45 days prior to a camp. We do not want to discourage players from paying the full amount by this date or sooner. Therefore, there is no risk to the amount above \$200 outside of the 45 days before camp. For example, if you pay a camp fee of \$725 in full when you sign up 3 months before a camp, only the \$200 is non-refundable, until 45 days prior to camp. If you need to cancel, and it is still more than 45 days before camp, the remaining funds (\$525 in this case), at your request:

- 1) Will be credited to your credit card or returned in the form of a check, or
- 2) Kept on account (along with the deposit) as credit toward a future camp
