

Our Coaches

“Every coach went over and above with one-on-one conversation both during drills and after hours. They exhibited a genuine interest in helping you improve and were extremely approachable.” - Pat B.

One of the best things about a **Weekend Warriors** camp is the outstanding coaching staff. First and foremost, they are highly qualified. Most of them coach teams at the collegiate or professional level. However, just as important as their knowledge and skill is the fun and passion they bring to the camp. Our players are constantly amazed that such high level coaches are so approachable, friendly and interested in helping recreational level players like them. The coaches' intense love for the game coupled with their fondness for working with eager adults help create an atmosphere that is above and beyond any you have ever experienced. Not only will you improve your hockey skill and knowledge, but you will have an experience filled with fun and camaraderie. You will, after all, become a part of the **Weekend Warriors** family!

“I couldn't be happier with my experience at the Weekend Warriors Camp. The coaches, with a lot of individual attention, did a great job meeting each skater at his or her level and raising the game for all. My first camp with them will not be my last. Every part of my game is significantly better.”

- Jonathon J.

OUR PHILOSOPHY

Rick Parisi Chief Executive Warrior

I am NOT a hockey coach. I'm an adult recreational player JUST LIKE YOU! And my story is probably similar to yours. I played street hockey as a kid, but I was 30 years old before I strapped on the skates and tried to play organized ice hockey. It was very humbling, and yet so intoxicating. I

knew I was hooked for life.

So what made me start this business? Well, first of all, I totally understand what you, the adult recreational player, want. We want the chance to improve our skating, our hockey skills, our positioning and our understanding of the game in a fun and relaxed atmosphere. But just as importantly, we want to do it with our peers, not with a bunch of hot-shot kids. So instead of grueling off-ice conditioning sessions, when we get off the ice, we will exercise your brain by teaching you about strategy and positioning. And our evenings are reserved for social engagement, a time to have a beer and talk hockey with your coaches and fellow players.

Secondly, I did not want to create a fantasy camp - not in the traditional sense. It's not about meeting famous NHL players. For **Weekend Warriors**, our fantasy is that we get to play this wonderful game as adults, even though we earn our living in a completely unrelated "arena". For us, that fantasy is a reality.

Lastly, I have surrounded myself with some of the best coaches you will find anywhere. These guys not only understand hockey, but they have a passion for the game. Their passion is contagious, which adds to the fun and camaraderie you will experience. Our coaching is continually cited in our post-camp evaluations as the best part of our camp experience.

I am frequently asked if I go to the camps. The answer is absolutely "Yes". My primary responsibility is to be there to make sure that your experience is the best it can be. But it is also my reward. Organizing hockey camps is difficult and time consuming. But meeting the players, hearing your stories, feeling your passion and love for the game - that is incredibly rewarding for me. And that is why I will continue to strive to make **Weekend Warriors Adult Hockey Academy** the very best hockey camp experience for all of us. You will improve your game, and have a great time doing so.

I guarantee it!

“

“Going to this camp was the best thing I've done in 20 years of playing to improve my game!”
- Sherwood C.

“Absolutely fantastic. There are few options for adult players who need assistance and this camp has fit the bill in every way imaginable.”
- Bruce P.

“This was one of the best weekends of my life! I learned a lot, got better at hockey, had a great time, met great people, and slept so well every night (from being just plain exhausted)! This was a great camp and I can't wait to do my next one!”
- Eric V.

“Camp is a total immersion in the hockey learning experience. It takes you away from your everyday life and allows you to learn and improve without any distractions. It is an intense and tiring experience, that leaves a great sense of accomplishment after 12 hours of ice time in only a few days.”
- Don B.

ATTENTION GOALIES!

"It was all goaltending all the time. That was exactly what I was hoping for. No gimmicks. No puck deflecting machines or mesh bags over the mask. Just practical coaching that could be immediately implemented."
 - Jason P.

We provide you with a dedicated goalie coach and goalie-specific curriculum. This ensures that you receive the special attention required to improve your game at the most important position on the ice!

You Will

- ➔ Improve your skating and hockey skills
- ➔ Advance your understanding of the game
- ➔ Have a great time and meet other players!

Weekend Warriors Scholarship Program

Each year Weekend Warriors offers a scholarship to 3 deserving players. The value of the awards will be equivalent to one half the value of the camp they apply to attend. We want to provide additional opportunities for impassioned adults who might not otherwise be able to attend. Applicants for these awards should have a financial need, a strong desire to improve, and have a great passion for the game. Full details are available on our website.

Giving the Gift of Hockey

Weekend Warriors camps make a great (Birthday, Christmas, Father's Day or Mother's Day) gift to that special hockey player in your life. If you're not sure which date or location works best, we even allow you to choose/change your camp date after the surprise is out. If you're the hockey player in the family, start dropping hints today!

Money Back Guarantee

If we fail to meet your camp expectations, we will refund your camp fee. Period.

2018 Camp Locations

Every year we hold camps in 12 different cities across the U.S. and sometimes Canada. So whether you're looking for a camp in your own backyard or to travel to an exciting new destination, we've got a great camp location for you. We're in traditional hockey towns like **Boston** and **Pittsburgh**, but also in exciting vacation destinations like **Lake Tahoe** and **Vail**. Each year we return to our favorite locations, but we are always adding new cities to the mix. For instance, in 2018 we're planning to hold our first ever camp in **Minneapolis**.

Since some of these destinations will not be finalized until after brochure printing, please go to our website for a complete list of our 2018 Camp Locations at www.weekendwarriorshockey.com/2018-camp-locations/ or scan the QR code below with your phone.

Note: Pricing varies by camp location, and is listed on our website on the camp information page for each location.

New Camp Locations

We are always on the lookout for the next great camp location. **Want us to consider your location?** Here are the best ways to go about it:

- 1) Organize a group of 20 or more players for a location of your choice, and you attend free. Call for details.
- 2) Have your local rink manager reach out to us. If the rink is motivated, then so are we.
- 3) Check out the **Potential New Locations** page on our website.

Critical Camp Questions

What Will I Learn At Camp?

Our camp curriculum is an excellent blend of skills and strategy. Thus, we will not only help you develop and improve your skills, but we will also give you a much better understanding of the game. You'll understand where to be on the ice, and why. As we get older as players, we need to get smarter to keep up with younger, faster players. Our off ice Chalk Talks and video review sessions are primarily focused on this mental aspect of the game. But don't worry, it's not all mental. With 12 hours on the ice, you will have plenty of time to improve your skating, shooting, passing, stick handling and many other skills.

Am I Too Novice for Camp? Too Good for Camp?

No player should miss camp because he feels too weak or too good. For the true novice, there is plenty of support and encouragement, as well as the knowledge that it is always better to learn a skill correctly from the start, rather than correct a bad habit. And for the superstar, show me your NHL contract, and remember that even NHL guys still get coached on skating and other skills. Our coaches work with high level collegiate and professional players every day. If you come with the right attitude, they can make you a better player.

How Do You Handle Players of Varied Skill Levels?

At nearly every camp we have really good players, rank beginners, and most every level between the two. So how do we ensure that all players get the most of the learning experience? This is one of our biggest challenges, and one which we have addressed and made significant improvements. There are many drills that we do in stations. For these, we break up into several groups based on ability. Then there are the wave drills. For these, coaches provide individual feedback, modifying the skill being taught to challenge the more experienced players, and simplifying it for the novice players. Lastly, there are some drills where we ask players to pair up by ability, so as to avoid mismatches and maximize the learning experience.

What if I Have Already Been to a Camp? Is it Worth Coming Again?

At Weekend Warriors, we are continually evolving and improving our camp experience. Just last season we added specialty drills for both forwards and defenseman. Further, each camp is different, as new drills replace some of the old, and the coaches' vast experience enables them to masterfully tweak the curriculum for the needs of the players in attendance. So whether this is your first, second or tenth camp, we will help you elevate your game in so many ways!

Can I Bring My Son or Daughter to Camp?

While this is an adult camp, there is nothing that requires a participant to be of legal adult age. However, we do have concern for the safety of smaller children. Thus, we wouldn't want a 10 year old on the ice with a big guy with questionable skating skills. But we have had players bring their teenage sons or daughters to camp for a great bonding experience. Thus, we like to handle these requests on a case by case basis. Give us a call and we'd be happy to discuss it with you.

Note on Hotels

Weekend Warriors has negotiated special rates in advance for you. Be sure to book your room before the release date, which is typically 30 days prior to the camp. This date and other location-specific details are published on our website. All hotel rates are quoted per room, either single or double occupancy. Therefore, you may split the cost of a room with another player without incurring additional charges.

Social Activities

The social aspect can be one of the most memorable parts of attending a **Weekend Warriors** camp. At every camp, we schedule at least two group social activities:

★ The evening after our first skate, join us for a **"Break the Ice" Party**. This low-key gathering provides an ideal opportunity to meet your coaches, staff and fellow players.

★ On Saturday evening we hold our **Camp Banquet**, at which we celebrate the fun and accomplishments of the weekend. You will enjoy a good meal and some beverages with your new hockey friends.

If you are traveling with a friend or spouse who is not participating in the camp, he or she is welcome to join us at these social events for a nominal additional cost.
